AMENDMENT TO WASTE SERVICES AGREEMENT

Effective this 26 day of August, 2019, this Amendment to Waste Services Agreement (“Amendment”) is made by and between the City of Saugatuck (the “City”), a Michigan municipal corporation with offices located at 102 Butler St., Saugatuck, MI 49453 and Allied Waste Services, Inc., DBA Republic Services of Holland (the “Contractor”), a Delaware corporation with offices located at 4368 60th Street Holland, MI 49423.

RECITALS

- A. On or about September 22, 2008 the City and Chef Container, LLC entered into a Waste Services Agreement for the exclusive collection, transfer and disposal of certain garbage and trash and recyclable materials from residences and participating units within the City. A copy of the Agreement is attached as Exhibit A (the “Agreement”).
- B. In 2018, with the City’s consent and approval, the Chef Container’s rights and obligations under the Agreement were assigned to and accepted by the Contractor.
- C. The Contractor has requested that the City amend the Agreement to extend the current term and to add other provisions and the City is amenable to the same consistent with the terms and conditions of this Amendment.
- D. It is the intention of the parties that except as expressly set forth in this Amendment, all terms and conditions of the Agreement shall remain binding and in effect.
- E. The City Council has concluded that entering into this Amendment is in the best interest of the City and its residents and that the City wishes to take advantage of favorable pricing offered by the Contractor.

AGREEMENT

Now, therefore, for good and valuable consideration in and referred to herein, the sufficiency of which is acknowledged, the parties agree as follows:

- 1. Amendment of Section 2.02. Section 2.02 of the Agreement is amended to read in full as follows:

The Contractor shall collect and transport Yard Waste and Bulk Refuse from a Participating Unit upon the request of the owner or occupant of the Participating Unit and shall collect and transport Recyclable Materials one time every four weeks upon request and shall deliver the same as follows: Recyclable Materials shall be delivered to an appropriate recycling facility; Yard Waste shall be delivered to an appropriate disposal, recycling, or composting facility; and Bulk Refuse shall be delivered to a properly licensed solid waste disposal facility. The

Contractor shall be solely responsible to bill and collect its charges for such services from such owners or occupants.

2. Amendment of Section 4.01. Section 4.01 of the Agreement is amended to read in full as follows:

The Contractor, at its own expense, shall provide Participating Units with the following:

- 1) 32 or 95 gallon solid waste container(s) that are clean, watertight, and insect and vermin proof (Refuse Containers”);
- 2) 95 gallon container for Yard Waste (“Yard Waste Containers”); and,
- 3) 95 gallon container for Recyclable Materials.

The Contractor shall not be required to collect any Domestic Solid Waste if not properly contained in a Refuse Container. The Contractor agrees that a trash bag up to 32 gallons and containing up to 50 pounds of Domestic Solid Waste may be placed in a Refuse Container. Further, Contractor agrees that a 95 gallon Refuse Container may contain up to 250 pounds of Domestic Solid Waste. The Contractor shall not be required to collect any Yard Waste not properly contained in a Yard Waste Container.

3. Amendment of Section 8.01. Section 8.01 of the Agreement is amended to read in full as follows:

The Contractor shall directly bill each Participating Unit for the collection of Domestic Solid Waste, Rear Yard Service and Yard Waste in the amounts set forth in the Rate Sheet attached to this Amendment and marked as Exhibit A-1. The Contractor shall not charge Participating Units for the collection and disposal of Recyclable Materials. Notwithstanding the foregoing, in the event of changes in the costs of processing recyclables at the Kent County Material Recycling Facility (\$70.00 per ton as of June 1, 2019), actual cost increases beyond this amount may be passed thru on the Contractor’s monthly invoice. This processing cost is subject to change with official documentation from the Material Recycling Facility to be secured and provided by the Contractor to the City to validate any increase. Likewise, Contractor must decrease processing costs if they are reduced by the processing facility. Changes will be reflected in the following month’s invoices (example: May increase/decrease reflected in June’s invoice).

4. Addition of Section 8.05. Section 8.05 is added to the Agreement to read in full as follows:

The Rates charged pursuant to the Rate Sheet may, upon thirty (30) days written notice, be increased due to actual additional taxes, charges, surcharges, and/or

fees imposed by governmental authorities on the Contractor, the Collection Service or the Disposal Site following the date hereof, or due to laws, regulations or ordinances which are adopted or changed (including a change in interpretation or enforcement) following the date hereof, which have the actual effect of increasing the provision of the Collection Services or the costs to the Disposal Site, whether prospectively or retroactively, to the Contractor. The term "Rate" as used in the Agreement may include a requested adjustment made pursuant to the immediately preceding sentence. The Contractor shall not be entitled to any increase to the Rate associated with its violations of law, regulations, ordinances, or permit conditions.

5. Addition of Section 11.08. Section 11.08 is added to the Agreement to read in full as follows:

Notwithstanding any provision to the contrary herein, the City shall have the right to terminate the Agreement in its sole discretion upon first providing the Contractor with not less than 90 days' prior written notice.

6. Amendment of Section 13.01. Section 13.01 of the Agreement is amended to read in full as follows:

The term of this Agreement as amended shall be from October 1, 2019 until October 1, 2024.

7. Remainder of Agreement in Effect. Except as expressly set forth in this Amendment, all original terms and conditions in the Agreement shall remain binding on the parties and in full force and effect.
