

Backyard Composting Pop-Up Workshop April 24 at 9:30 AM

Learn from Jim Yost, an expert from Wormies Vermicomposting, how to build your own composting bin and the science behind how it works!

This is a free, outdoor 'bring your own chair' event to respect social distancing.
Workshop location: 312 Ferry Street, across the street from The Dunes Resort.

Who & What: All are welcome to join the Residential Composting "Pop-up" Workshop to learn more about the science behind turning your common trash into gardening treasure!

When & Where: April 24th at 9:30am at 312 Ferry St.

Why: The Tri Community Recycling Committee, including Saugatuck City, Township & Douglas, is working toward a more sustainable future for all of us.

Please join us for this free, fun & socially distanced event.
