

## City of Douglas

### NOTICE REQUEST FOR PROPOSAL

#### **Building Demolition and Hazardous Materials Removal Project Specification for the Former Haworth Plant Building Located on 200 Blue Star Highway, Douglas, Michigan**

**PM Environmental, Inc. Project No. 01-10275-1-0006**

PM Environmental, Inc. (PM) was retained by the City of Douglas to prepare a Building Demolition and Abatement Bid Specification for the Former Haworth Douglas Plant building located at the above referenced address.

The general scope of work includes mobilization/demobilization; loading, transportation, and recycling/disposal of steel; asbestos abatement, transportation and disposal of asbestos containing materials (ACM), removal, transportation, and disposal of universal waste; demolition staging, and transport/disposal of remaining building materials to an appropriate landfill.

The City reserves the right to accept or reject any or all bids, in whole or in part, and to waive any irregularities.

Bidders are required to submit any and all exceptions to their proposed scope at the time of bid submission. Bids must be submitted electronically with “**City of Village of Douglas Bid Submittal: Abatement and Demolition Bid**” in the subject header and are due by 3:00 pm Eastern Standard Time (EST) on Thursday, October 14, 2021. If you have questions regarding this request for proposal, please contact in writing (via email) before 10:00 am on Thursday, October 7, 2021.

Bids are to be e-mailed to and questions regarding this specification should be directed to: Mr. Wayne Krupp
