POINT PLEASANT PARK INITIAL CONCEPT REVIEW SESSION

Please join the City of the Village of Douglas for the second of four meetings to shape the future of Point Pleasant Park and Marina. This Initial Concept Review session will provide the opportunity for the community to review the alternate design concepts for the park that were developed from feedback gathered at the Community Visioning Session. The design team will utilize your feedback on the initial concepts to prepare a refined plan for further review in November.

Wednesday, October 27th 6-7:30PM

Douglas City Hall
86 West Center Street, Douglas, Michigan
