

2022 Leaf and Brush Pickup Schedule

CITY OF THE VILLAGE OF DOUGLAS

The City will pick up leaves and brush on all City streets beginning the first Tuesday in April according to the schedule below. If a large wind storm or ice event occurs, additional brush pickup will follow the event.

The following Guidelines Apply:

- * The City does not dispose of grass clippings from private property. You are urged to compost them or mow them into your lawn. *The burning of leaves and brush within the City is prohibited per Ordinance 90.21.*
- * Material may not be placed out sooner than the weekend (3 days) before a scheduled pickup day.
 - Stack all material neatly behind the curb on your own property and out of the paved portion of the road. **Do not stack material in the street.**
 - Leaves must be separated from brush.*Materials placed or left on the roadside at other times will be declared to be and constitute a nuisance in violation of City Ordinance 95, Nuisance, which is punishable as a Municipal Civil Infraction.*
- * Resident-owned tree removal by a private contractor should include arrangements for the private contractor to chip and remove all limbs and brush. Such brush and tree parts may not be placed in the street except temporarily as may be necessary in the course of the work.
- * Leaves must be un-bagged and not include anything else, i.e., brush, stumps, bricks, grass clippings, garbage, etc.
- * Brush must be no larger than 6 feet long and 6 inches in diameter.
- * **We Will Not Pick Up:** Tree stumps, tree limbs larger than 6 inches in diameter or longer than 6 feet, garbage, pet waste, grass clippings, bricks, lumber or construction materials.
- * Quantity Limit. The pickup - *per property/per scheduled pickup date* - may not exceed a pile the size of 6 by 10 feet and 4 feet high.

Fall Leaf Pickup. Fall leaf pickup will begin in October. Due to weather and leaf fall variables, pickup days may be extended thru November as weather allows.

Due to the large workload associated with fall leaf and brush pickup, City crews may not reach your property on the exact date of your scheduled pickup. However, please be sure to place your leaves out before your scheduled pickup date to ensure your leaves are removed. Leaves placed out after your scheduled pickup date and after City crews have serviced your street may not be collected and will become the responsibility of the property owner.
