

City of Douglas Household Hazardous Waste Pickup Event

Sustainability in Action

The City of Douglas will be holding a household hazardous waste pickup event on Saturday, September 23, 2023, from 8 a.m. to 11:30 a.m. at 4368 60th Street, Holland, MI. To control vehicle traffic and the amount of hazardous waste being disposed, vouchers are required, and can be picked up before the event at the Republic Services Holland scale house (4368 60th Street, Holland, MI, open from 8 a.m. to 4:30 p.m., Monday through Friday).

You will need a valid ID and a current Republic Services account to receive a voucher. Vouchers are only valid for the date noted, and must be presented at the drop-off event. They will not be issued on the day of the event. There is a limit of 200 pounds of material per voucher.

Because of the legal chain of custody required on hazardous waste, you will be required to sign a disposal form. Republic Services reserves the right to reject any items. No more than 5 gallons of liquids per customer.
