The Zoning Board of Appeals shall have the power to authorize specific variances from site development requirements such as lot area and width regulations, building height and bulk regulations, yard width and depth regulations and off-street parking and loading space requirements of this Ordinance, provided that all the required findings listed below are met and the record of proceedings of the Zoning Board of Appeals contains evidence supporting each conclusion.

Under Section 29.05 of the City of the Village of Douglas Zoning Ordinance, the Zoning Board of Appeals is empowered and entrusted with specific duties. To be considered for approval, all variance requests must comply with the standards outlined in this section. Please detail in the space below, or on additional pages if required, how your request aligns with each of these approval standards.

Please list the genuine practical difficulty that exists because of unique circumstances or physical conditions such as narrowness, shallowness, shape, or topography of the property involved that do not generally apply to other property or uses in the same zoning district.

Question 3 - Zoning Ordinance Section 29.05 c)

Please verify that the practical difficulty or special conditions or circumstances that are due to no fault of your own.

Question 4 - Zoning Ordinance Section 29.05 d)

That the variance will relate only to property under control of the applicant

Question 5 - Zoning Ordinance Section 29.05 e)

Question 6 - Zoning Ordinance Section 29.05 f)

Please verify that strict compliance with area, setbacks, frontage, height, bulk or density would unreasonably prevent the owner from using the property for a permitted purpose or would render conformity unnecessarily burdensome.

Question 7 - Zoning Ordinance Section 29.05 g)

Please verify that the variance requested is the minimum amount necessary to overcome the inequality inherent in the particular property or to mitigate the hardship.

Question 8 - Zoning Ordinance Section 29.05 h)

Is the variance request for a use that's not normally allowed in this district, without requiring a Special Use or temporary permit, and only because following current rules would unfairly limit how you can use your land? Have you already tried and been denied rezoning, Special Use Permit, or PUD approval before submitting this request according to Section 29.05 (2)?
