Artistic Beautification of Bike Racks in Downtown Douglas

The City of Douglas Downtown Development Authority (DDA) is seeking proposals from local artists to creatively beautify two bike racks located in Downtown Douglas. This initiative aims to enhance the visual appeal of our public spaces while celebrating the vibrant arts community in Douglas.

Proposal instructions and specifications may be obtained at City Hall, 86 W Center St., Douglas, MI 49406. Proposals will be received until 2:00 PM on Tuesday, April 15, 2025, at Douglas City Hall.

It is the intent of the City of Douglas Downtown Development Authority to enter into a contract with the artist whose proposal is the most conforming to the Request for Proposal, provided it has been submitted in completion and accordance with the proposal requirements. The City expressly reserves the right to accept a proposal other than the lowest cost and reserves the right to negotiate any terms prior to a contract.
